

Menstrual Product Drive

Donations go to Migrant Justice!

WHAT

Students and FAM, in partnership with [Planned Parenthood of Northern New England](#), are conducting a menstrual product drive for the Vermont-based non-profit [Migrant Justice](#)! Menstrual products must be packaged (single-wrapped pads or tampons can be donated). *****If you do not have menstrual products you may donate to the Venmo account @JoanVera *** Any amount is greatly appreciated!**

WHERE

Packaged single or boxed menstrual products may be **donated to the bin in the McCullough entrance** labeled 'Menstrual Product Donation Box'.

WHEN

Products may be dropped off to McCullough between Sunday, April 4th through Sunday, April 11th. Venmos can be sent to @JoanVera anytime (receipts will be posted)!

WHY

Menstrual products are a necessity, not a luxury. Before COVID-19, 1 in 4 people who menstruate in the U.S. struggled to purchase menstrual supplies due to lack of income. There are currently no government assistance programs that provide menstrual products. [The Vermont State House is working to pass multiple bills on menstrual products.](#) S. 53 and H. 53 would end the "tampon tax" by exempting menstrual products from VT's

JUSTICIA MIGRANTE

Sales Tax. S. 32 would ensure period products are available free of cost in schools statewide while H. 260 would do the same AND include correctional facilities.

WHO

Migrant Justice is a non-profit organization working to “build the voice, capacity, and power of the farmworker community and engage community partners to organize for economic justice and human rights”. Their current campaign, [Milk with Dignity](#), seeks to ensure adequate pay and proper and safe working conditions on dairy farms throughout the state including in Addison County. All menstrual products will be donated to Migrant Justice for distribution to their migrant farmworkers and families located throughout Addison County and throughout the state.
